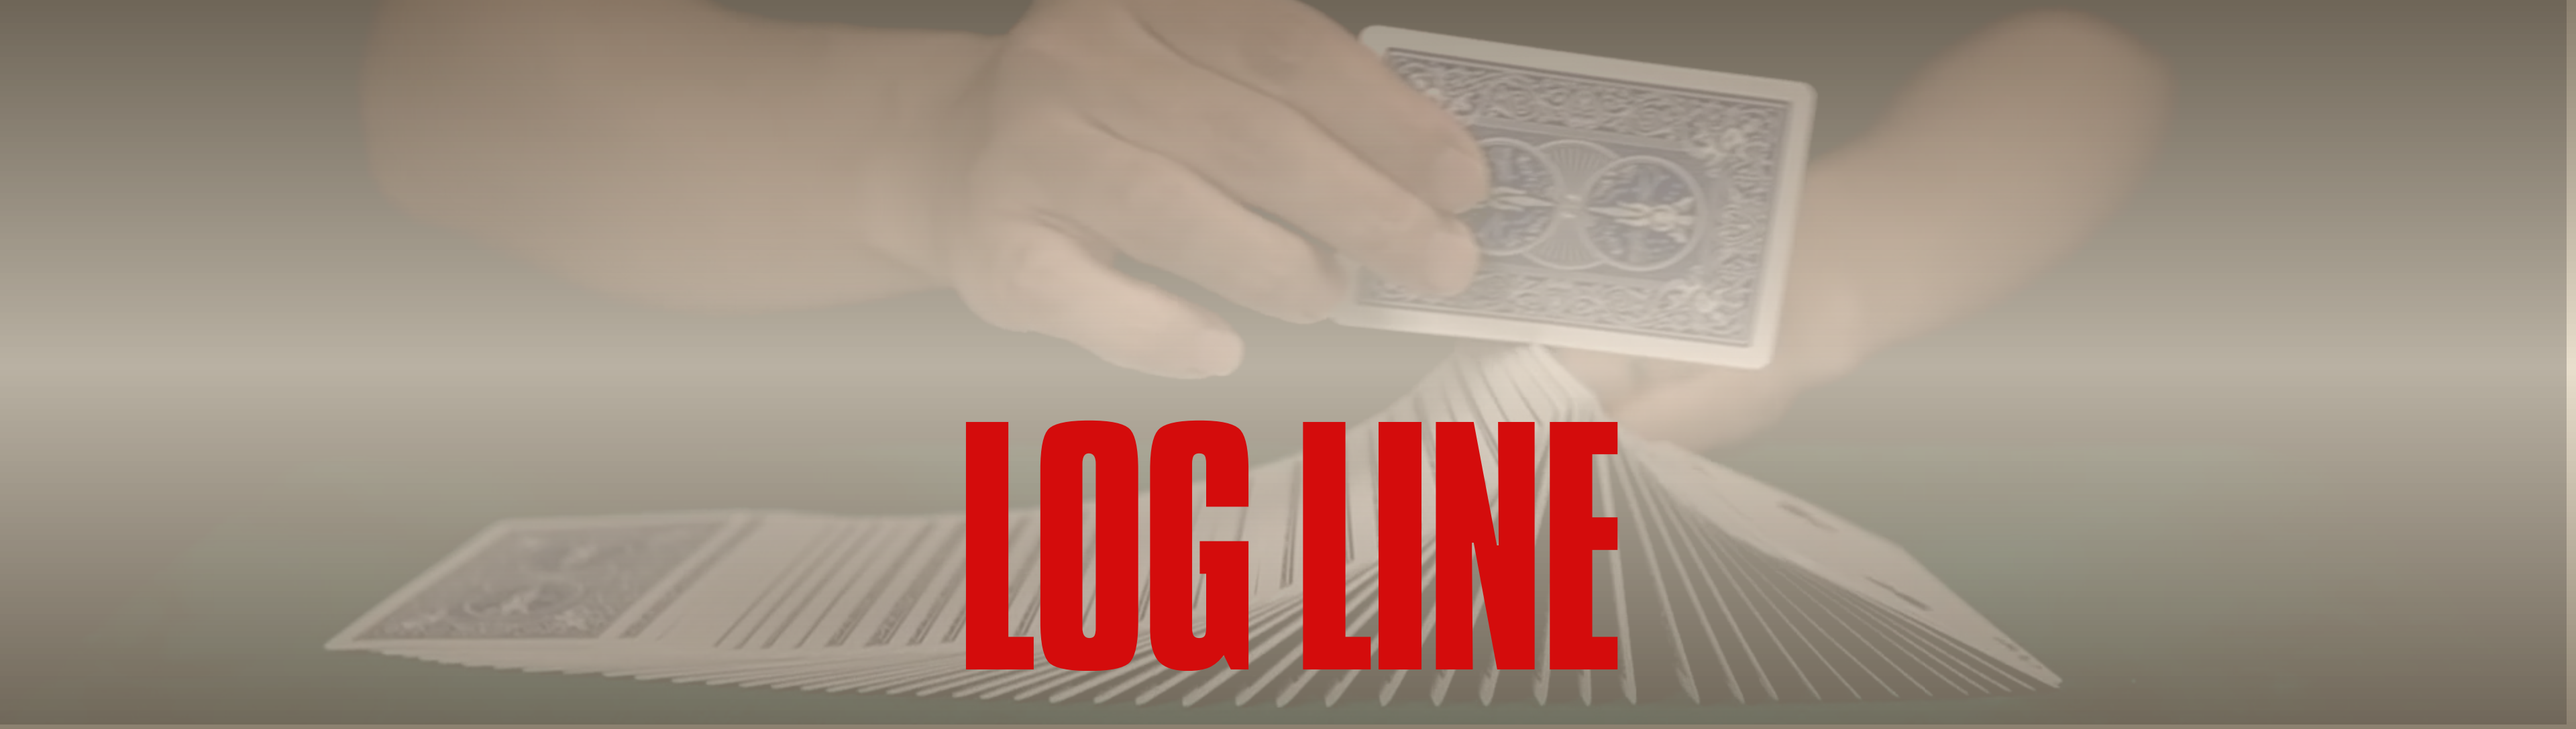
GAMBLE

The Shadow Of City



LOG LINE

"GAMBLING IS A CANCER IN SOCIETY. WE MUST RECOVER FROM THIS DISEASE – THAT'S WHAT THIS MOVIE TEACHES US."

SYNOPSIS

This is a story of cities where people are drowned in the addiction of gambling. In one such city, some bookies earn money by manipulating gambling results through a software. People, in their intoxication of earning money by winning the gamble, become victims of this software and ruin their lives..... One day suddenly a girl starts winning money. Whatever result the software produces begins to fail. But as she keeps winning the money every day, the bookies start noticing her. After a few days, the bookies realise that someone was hacking their software. The bookies' business begins to collapse, and everyone starts suspecting that girl. From the police to thugs, everyone starts searching for the girl. But someone else was behind that girl, someone who gives her directions, a mastermind. Because that boy's only aim is to stop gambling. Who is that boy?
